ZIPTREK WHISTLER — QUICK FACTS

Who: Ziptrek Ecotours opened its doors in July 2002. With hundreds of thousands of satisfied guests, Ziptrek has earned its title as Whistler's #1 Year-round Activity!

What: Ziptrek combines low-impact ziplines through the forest with an engaging interpretation program. Ziptrek offers several different eco-adventure tour options.

Ziptrek has a total of 11 ziplines, 9 bridges, 10 treetop viewing platforms, and an extensive network of trails and boardwalks.

When: Ziptrek Ecotours operates 365 days a year. With several different tour options to choose from a unique experience is had each and every time.

Where: Ziptrek's tour area, just minutes above Whistler village, takes place in the valley between Whistler and Blackcomb Mountains. Access is provided via gondola, chair lift, or short van ride. Your adventure begins only minutes after you check-in.

The course covers over 11 hectares (33 acres) of land and contains areas of untouched, ancient coastal temperate rainforest which is home to bear, cougar, hoary marmot and a plethora of other living creatures and organisms.

Why: Ziptrek has exhilarated and educated guests of all ages from around the globe - from 6 to 92 years old there is a tour for everyone to enjoy. Don't you want to experience what everyone is talking about!

How: Guests are outfitted in a full-body climbing harness and a climbing helmet and glide along suspended steel cables, using a pulley. Sit back and relax while our professional tour guides lead the way.

Safety Standards: Ziptrek's viewing platforms and suspension bridges meet or exceed North American engineering standards for construction and snow load, and the ziplines are built to meet or exceed European and North American lift standards.

Media: Ziptrek has been featured in hundreds of print articles and television shows- not to mention a celebrity line-up like no other, including ABC's the Bachelor and the Bachelorette, OLN's the Lonely Planet, Richard Branson, CTV, National Geographic, New York Times...

Groups: Ziptrek has played host to many groups of varying sizes. Ziptrek can accommodate groups of 10 - 600 per day.

ZIPLINE LENGTH FACTS

Line #1 200' / 60m This short line has been retired.

Line #2 500' / 135m Launch from Blackcomb and land high up in a Western Red Cedar on Whistler Mountain.

Line #3 900' / 255m Spectacular launch over 10 stories above the Fitzsimmons Creek. This is the fastest line in the original zipline course.

Line #4 1100' / 330m The longest zipline in the original zipline course. An amazing view of the course and the gorge cut by the Fitzsimmons Creek as it rages down from the Overlord Glacier.

Line #5 400' / 120m Zipline back from Whistler Mountain to our base on Blackcomb. This freestyle zipline is the perfect opportunity to try flying upside down.
